Justice For Migrant Families (JFMF) Dignity Bags

JFMF is in immediate need of small travel bags/ backpacks with supplies. People who are released from detention are given these bags when they arrive at the bus station with nothing to carry their belongings, food, money for tickets, and weather-appropriate clothing.

Recently a person was released who needed to travel to San Francisco, five days on the bus. These travel bags ensure people can get to their families and communities safely and with dignity.

Each person who is released is given a backpack or small duffel bag that contains:

- 1 folder for important documents
- 1 notebook and pen
- shoelaces
- 1 empty small refillable water bottle
- snacks appropriate for travel (power bars, nuts, crackers, cookies, etc.)
- hygiene supplies - toothbrush, toothpaste
- PPE supplies - mask and hand sanitizer
- other supplies: a pack of tissues, Dramamine for travel sickness, a comb
- Men's socks and underwear
- a \$20 bill to buy snacks for their journey

While not part of the dignity bags, baseball type hats and hoodies are also needed. There will be a container at Trinity through July 24 to place any of the above supplies.

If you prefer to donate cash, please send directly to JFMF here at Trinity.

Space Available

Our church has work spaces—large and small—available for rent at Trinity Center. We hope to rent to groups and individuals that share our vision of community betterment. If you know someone that would be a good fit, please share this QR code, which links to <https://www.trinitybuffalo.org/trinity-center-rentalsdescription>.

Worship Helpers Needed

If you are planning to attend the **10:30am Sunday** service in person and would like to be involved with reading from the altar or welcoming people to the courtyard and helping direct them with what to expect, please sign up at: <https://www.signupgenius.com/go/70a0c4fafa629a3f58-trinity2>. If you are interested in being more involved but aren't interested in either of these roles, you can also help by bringing a device to connect to Facebook viewers and responding to comments during the service.
